2. Homeowners (HO-3)

• Roof age above 20 years: decline wind/hail coverage on replacement-cost basis; offer actual cash value.

• Coastal wind exposure (FL, TX within 25 miles of the coast): hurricane deductible of 2% of the dwelling limit applies.

• Flood is NOT covered; offer a flood endorsement or refer the insured to the NFIP.

• Prior losses: 3 or more paid claims in 3 years requires Senior UW approval.

3. Personal Auto

• Drivers with a major violation (DUI, reckless) in 3 years: refer to Senior UW.

• Credit-based insurance scores are used only where permitted (not in CA).

• Non-payment cancellation requires the notice period of the state.

• Vehicles with salvage titles: liability only.

4. Commercial lines

• Commercial property: sprinkler status, construction class, protection class and occupancy are required; vacant buildings over 60 days are ineligible.

• General liability: contractor risks require certificates of insurance for subcontractors and a written safety program.

• Workers' comp: experience modification factor above 1.25 requires Senior UW approval; roofing and logging are prohibited classes.

5. Referral triggers

• Material misrepresentation on the application.

• Loss runs missing or older than 60 days.

- Exposure in a declared catastrophe zone during the event window.
- Risks above treaty capacity: notify Reinsurance.
