Florida - Claims Handling Regulations Summary

Cardinal Ridge Insurance Group | Document CRIG-REG-FL | Effective 2026-01-01 | Version 3.1

FICTIONAL DOCUMENT - created for a software demonstration. Cardinal Ridge Insurance Group does not exist. Legal and regulatory content is simplified and is NOT legal advice.

1. Legal source (simplified)

Florida Claims Administration Statute (Fla. Stat. 627.70131). This summary uses simplified, fictionalised figures for demonstration. Always confirm with Compliance.

2. Claim-handling clocks

Milestone	Florida standard	Clock type
Acknowledge the claim	7 days	calendar
Accept or deny the claim	60 days after proof of loss / notice	calendar
Pay an accepted claim	60 days	calendar

A missed clock is a BREACH: the claim becomes NON-COMPLIANT, late-payment interest may accrue and the file must be escalated to Compliance.

3. State-specific notes

Acknowledge within 7 calendar days; begin investigation within 7 days of proof of loss; pay or deny within 60 days of notice. Hurricane deductible 2% of dwelling limit for named storms. Flood is excluded unless a flood endorsement or NFIP policy is in place.

4. Required actions when a clock is at risk

• Send a written status / extension letter explaining what is still needed.

• Escalate to the Claims Manager when fewer than 3 days remain.

• Record the reason for any delay in the claim notes; accrue interest in the reserve where applicable.

• A pending SIU investigation does NOT pause the state clock.
