Ohio - Claims Handling Regulations Summary

Cardinal Ridge Insurance Group | Document CRIG-REG-OH | Effective 2026-01-01 | Version 3.1

FICTIONAL DOCUMENT - created for a software demonstration. Cardinal Ridge Insurance Group does not exist. Legal and regulatory content is simplified and is NOT legal advice.

1. Legal source (simplified)

Ohio Administrative Code 3901-1-54 (Unfair Property/Casualty Claims Settlement Practices). This summary uses simplified, fictionalised figures for demonstration. Always confirm with Compliance.

2. Claim-handling clocks

Milestone	Ohio standard	Clock type
Acknowledge the claim	15 days	calendar
Accept or deny the claim	21 days after proof of loss / notice	calendar
Pay an accepted claim	10 days	calendar

A missed clock is a BREACH: the claim becomes NON-COMPLIANT, late-payment interest may accrue and the file must be escalated to Compliance.

3. State-specific notes

Acknowledge within 15 calendar days; decide within 21 calendar days of proof of loss; pay within 10 calendar days of settlement agreement. Insurers must keep complaint records for the state department of insurance.

4. Required actions when a clock is at risk

• Send a written status / extension letter explaining what is still needed.

• Escalate to the Claims Manager when fewer than 3 days remain.

• Record the reason for any delay in the claim notes; accrue interest in the reserve where applicable.

• A pending SIU investigation does NOT pause the state clock.
